CASE NO. 3:18-cv-1530-N-BN

UNITED STATES OF AMERICA,  
RESPONDENT.

MOTION FOR EXTENSION OF TIME TO FILE OBJECTIONS

COMES NOW, Roger Harry Olson, II (hereinafter referred to as "Movant") and files this Motion for Extension of Time to File Objections and states the following reasons.

Movant is in receipt of the Findings, Conclusions, and Recommendation of the United States Magistrate Judge filed with the Court on September 26, 2018. Movant received this at the prison mail call on October 4, 2018. The Magistrate Judge, in his Report, gave Movant 14 days to file objections to the Report. Movant is a layman at law, not versed in the law and has limited access to a law library. Movant understands what the Report requires in filing the objections and the complex issues involved.

For the above reasons and in the interest of justice, Movant request the Court grant a 45 days extension for Movant to file his objections to the Magistrate Judge's Report due to Movant being a layman at law and his limited access to the prison law library and for any other such relief as the Court desires.

Respectfully submitted,

October 6, 2018

  
Roger Harry Olson, II  
Movant
